Requests approval to his proposal for empowering the Sub Asst Conservators in charge of the Shemoga Div, the Shemoga Circle & the Bangalore Central Store, to grant leave to the temporary employees of the Shemoga Saw Mills, the wood Preservation Plant & the Bombay billet Section.

The C.C.F states that by effecting the proposed change in the Powers for grant of leave, needless correspondence and delay would be avoided. Further the officers on the spots would be in a better position to decide whether to grant the leave or reject the application. The proposal may perhaps be approved by Govt in order.

Adverting to para 2 of G.O.No.A.F.5531-2/Ft.152-41-2 dated the 7th April 1941, approving of my proposal that the District Forest Officer, Shimoga Division, the Conservator of Forests, Shimoga Circle and the District Forest Officer, Bangalore District may respectively be authorised to exercise the above mentioned powers, I have the honour to state that it is found by experience that the said powers may with advantage be exercised by Sub Assistant Conservator of Forests respectively in charge of the three institutions as by doing so, needless correspondence and delay in the disposal of questions will be avoided.
